Food, Glorious Food!

Dear Parents/ Carers,

Our theme this term in KS2 (Class 2 and Class 3) is 'Food, Glorious Food! (Please see the leaflet for further information.) As part of the project we will be tasting various foods, including exotic fruits and different breads. The children will be experimenting with chopping, slicing fruits and vegetables and then designing and making their own sandwich snacks. The children will also have the opportunity to do some baking and cooking. Please make us aware if your child has any food allergies/ intolerances.

Later in the term we are organising a visit to TESCO Clay Cross. As the cost of hiring a coach/bus is so expensive, the children will need to be delivered by parents to Tesco and then collected and returned to school after the session. Further details re. date /time will be sent once arrangements have been finalised.

The school will be subsidising the cost of ingredients but we are asking for a voluntary contribution of £2.00 per child. Please complete the form below to give permission for your child to take part in tasting activities. Thank you for your support.

Yours sincerely,

Julie Dunbar
