Enrichment Activities- Superb News!!

I have some wonderful news!

We have been working hard during the past year to make our curriculum more exciting for the children by involving them in the planning of what they want to learn and having more choice in visits that we plan to enrich the topic.

I have secured a large amount of funding to support the enrichment of our curriculum through visiting speakers and trips during the Summer Term. I am currently working with the staff to plan visits to accompany the Summer Term topics as well as an 'Arts Week'. It will be an exciting and fun Term!! I will get back to you with dates and details when I have worked on the programme over Easter.

From the Buddies

Wedding Cake competition- Thankyou

The Buddies would like to thank everyone who made a cake for the competition and to all the parents who came to the auction yesterday. You were all really generous and we raised £107 in total, which will be used to buy the cushions for the tee pees and more resources to go inside.
THANK-YOU
