The Winding Wheel Choir Performance

The children from Year 5 and Year 6 who sang in the concert at The Winding Wheel last night were a credit to the school indeed! We were very proud of their singing ability and the way they behaved impeccably throughout the concert. I would like to thank them all for all their hard work and dedication.

I would also like to thank Mrs Russell for all the hard work she has put into coaching the children during the last few weeks to help them achieve such an excellent standard.

Mrs Russell has asked me to say a big thank-you to all the parents who provided transport to the different practice venues! This event really could not have happened without your support.
