

Winter

This well dressing has been made by
Stretton Handley C of E Controlled Primary School

The theme for the Brackenfield well dressings this year is, 'The Four Seasons'. We chose 'Winter' for our board and it features birds which can be seen around Ogston Reservoir during the winter months.

The snowflake border started out as paper cut outs and the middle panel is composed of faithful reproductions of the children's drawings, although they are not to scale! The colours of the birds are as true to life as possible!

Spot the Buzzard, Nuthatch, Fieldfare, Waxwing, Siskin, Pochard, Teal, Tufted Duck, Canada Goose, Heron, Greylag Goose, Goosander and Linnet.

Visit our school web site to see our well dressings from previous years.
