### **School re opening March 8th**

Dear Parents and Carers,

Following the confirmation that schools will be open to all pupils from March 8<sup>th</sup> I am writing to confirm arrangements and hopefully address any concerns. The expectations from the DfE is that all children should return to school.

#### **School times for drop off and pick up**

##### *Drop off*

School will continue to open at 8:45 and all children should aim to be in class by this time.

##### *Pick up*

School will finish at 3:15 pm for all children.

#### **Reducing risk and future closures.**

It is our intention to keep the children working in separate bubbles to reduce the risk of infection and reduce the number of bubbles that may have to close in the event of any confirmed cases in school.

#### **School Uniform**

I wanted to reassure you we will be flexible with children wearing of school uniform.

As we are still opening windows and doors and the weather is still unpredictable we will give you the choice of children wearing uniform or not for the rest of this term. From Easter until Summer we would expect children to be back in uniform as the weather should be warmer.

When it comes to shoes we feel that providing the children are wearing sensible footwear then this will be fine. We are not expecting parents to go out and buy new school shoes if they have outgrown them since they last attended school.

I hope this helps you but please contact me if you have any questions or need to discuss anything before the children return.

Please take care and stay safe.

Kind Regards

Mr Flint

Executive Headteacher
