

Stretton Handley CE (VC) Primary School Collective Worship Policy

“To worship is to quicken the conscience by the holiness of God, to feed the mind with the truth of God, to purge the imagination by the beauty of God, to open the heart to the love of God and to devote the will to the purpose of God”.

William Temple (1881-1894)

Philosophy

Stretton Handley CE (VC) Primary School is a Church of England Voluntary Controlled School. Worship is therefore an important part of the school day as it gives us the opportunity to come together as a school community. It is attended by students, staff and any visitors in school are very welcome to join in.

Collective Worship and the Law

The legal requirement for Church schools ensures that every child in the school is entitled to an opportunity for daily worship.

“The arrangements for the required collective worship may, in respect of each school day, provide for a single act of worship for all pupils or for separate acts of worship for pupils in different age groups or in different school groups.”

The School Standards and Framework Act 1998

Collective Worship

All acts of worship reflect the Anglican status of the school. In addition to daily school collective worship, special celebrations take place in Church e.g. Christingle, Easter, Harvest etc. We also hold a communion service on the last day of each term in St Mark's Church where the children partake in receiving a grape and wafer.

Parents should be made aware that the school is a Church school and as such Collective Worship will be based upon the foundations and principles of the Church of England. The governing body are aware of their legal responsibilities and be clear of their statutory responsibility to uphold the Christian foundation of the school. This responsibility to uphold the Christian ethos and foundation of the school is also made clear to staff on their appointment.

Aims of Collective Worship

It is our aim at Stretton Handley CE (VC) Primary School is that worship should: -

- reflect the school's mission statement

- be clearly planned
- be appropriate to the ages, aptitudes and backgrounds of the pupils
- offer opportunities to worship God
- be inclusive and an occasion where each individual's integrity is respected
- offer opportunities for pupils' spiritual, moral, social and cultural development
- reflect some of the practices and traditions of the local church
- be regularly monitored and evaluated
- underpin the Christian values and ethos of the school
- celebrate the values and worth of the school community
- be an opportunity for pupils to reflect on human existence
- help children explore and develop their own spirituality
- help children to explore and reflect upon the awe and wonder of the world around them
- offer opportunities to share worship with parents, governors and members of the local community
- celebrate special occasions in the Churches year and the life of the community
- show appreciation for the God given gifts and talents of the school community.

Responsibility for Collective Worship

The Governors hold overall responsibility for ensuring that the legal requirements for worship are met. Collective Worship is also overseen and organised by the Collective Worship Coordinator, it is their responsibility to plan and organise the worship in addition to organise the resources.

The Planning of Collective Worship

Collective worship is treated like any other part of the curriculum when it comes to matters of planning, delivery, resourcing and evaluation. The content and methodology of Collective Worship should be varied and there should be evidence of this in planning.

Each term there is a theme for Collective worship based on Values for Life. The theme is chosen by the Church Council, which is a group of mixed age children who are all involved in the delivery of Worship within school. The Church Council meet every term to reflect and evaluate Worship organisation and to choose and plan the new theme for Collective Worship. Those leading worship are encouraged to relate their worship to this theme. The themes chosen are broad enough to allow all those leading worship to approach the theme from their own perspective. This will mean that by the end of the week the pupils will have had the opportunity to reflect on the theme from a variety of viewpoints.

This pattern is flexible and on occasions it is recognised that teachers may feel that they need to respond to local or national events.

We seek to encourage pupils to voice their views on collective worship and to be a part of the evaluation process. The Church Council regularly seeks the views of their classmates and reports these findings during Church Council meetings.

Evaluation and Monitoring of Collective Worship

Following the planning of worship; the evaluation and recording, needs to be an integral part of the process. Worship can be evaluated by those leading the worship, other staff, the pupils for whom the worship is intended or members of the governing body. Feedback from any of these groups will help to improve the quality of worship offered to the pupils.

The monitoring of the planning and provision of worship is carried out by the Collective Worship Coordinator termly. The foundation governors have a key role in this process to ensure that the legal requirements are met and that the worship offered to the pupils is of the highest quality. Jill Fox, the school's Foundation Governors has a role monitoring Collective worship at the school.

Rights of Withdrawal

At Stretton Handley CE (VC) Primary School we seek to be an inclusive community however we respect the right of parents to withdraw their children for Collective Worship. This school expects that withdrawal will only be made following parental discussion with the Head teacher followed by written confirmation of withdrawal.

The school has a system of suitable supervision for students withdrawn from Acts of Collective Worship. However, no additional work is set or followed in this time.

All teachers in Voluntary Controlled Schools, including the Head teacher, have the right of withdrawal from the Act of Collective Worship, but the head teacher, should he or she wish exercise this right, maintains statutory accountability for Acts of Collective Worship in Stretton Handley CE (VC) Primary School.
