

Stretton Handley CE (VC) Primary School

Primary PE and Sport Premium Funding 2021/22

Current numbers on roll (NOR) Reception to Y6 - Sept 2021 = 36

Number of children in Reception and years 1 – 6 who are **eligible** for Sport Premium on the January 2021 School Census 38

Funding received: £16,000 plus £10 per pupils aged 5-11 years old = Total 16,360 across two census periods.

Background:

Sport Premium is an amount of ring fenced funding which the government allocates to schools each year. The funding amount received by schools is based upon the number of children of primary age at the school. The Sport Premium must be used to increase the quality and breadth of PE and Sport provision, and increase participation in PE and Sport so that all pupils develop healthy lifestyles and strive reach the performance levels they are capable of.

At Stretton Handley Church of England Primary School, Mr Cooke is the P.E. and Sport Leader with responsibility for developing sport and effective use of Sport Premium Funding. Our school already has an excellent reputation for our Sport and P.E. as we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils. We welcome the additional funding, which will further enhance our provision and provide additional opportunities for increased participation.

Vision for the Primary PE and Sport Premium :

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

OBJECTIVE: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

Indicators of such improvement to include:

- the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- the profile of PE and sport being raised across the school as a tool for whole school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport.

'Young, Active Healthy - Towards an active Derbyshire' – A physical activity and sport framework for young people sets out the overarching vision, context and strategic priorities and outlines the challenge and contribution that can be made to the government's five Sporting Future outcomes which are:

Physical well-being, mental well-being, individual well-being, social and community development and economic development.

During the academic year **September 2021 to July 2022** we plan to spend our funding in the following areas:

NB: The pink area of the table outlines the Chesterfield/Bolsover SSP offer (Chesterfield/Bolsover School Sports Partnership). We are currently unsure of the SSP funding 2020-21 to deliver school games offer across 27 Primary, Junior and secondary schools in Dronfield, Eckington and Tupton Clusters. The SSP is a 'not for profit' organisation with experienced and highly qualified team who support schools in raising whole school standards in Physical Education and School Sport.

The yellow area of the table is a package purchased through our subscription to external provider Qualitas.

Sport Premium Spend	Activity	Impact / rationale for spend	Monitoring
