

D&T

Have a go at making some Ice Age bread and butter. You could try it at home and write a review or bring it in for the class to try.

15 dojos

Computing

Create your own Stone Age village on Minecraft. What features of a village will you need to include? Send us a video of your Village with an explanation of how you made it.

15 dojos

English

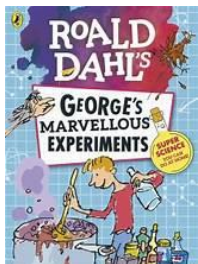

Research Skara Brae and create a presentation about it. You could make a poster, an information leaflet, or a PowerPoint presentation.

25 dojos

Reading

Keep reading at home and don't forget to get your reading diaries signed. You can read a school reading book or a book from home. When you have completed a book write a review and bring it in for our display. Don't forget to say whether you would recommend the book or not.

3 dojos will be awarded for every 10 reads.

English

Create a leaflet for 'How to survive the Stone Age.' Imagine you are transported back to the Stone Age and need a guide to help you survive. What would the guide say? What tips would it have? Use ICT, if you wish.

15-25 dojos

Maths

Research a range of prehistoric animals. Find out their lengths and heights and compare them with each other. Then compare them with modern day animals. Create a presentation to show your work to the class. Make sure you show your working out.

25 dojos

### History and D&T

Think about the features of a prehistoric settlement and try to create a miniature version. You could make one house or a whole hillfort settlement. Choose your materials carefully!

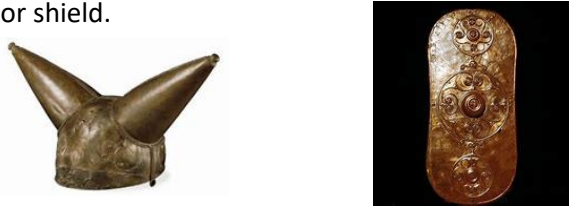

20 dojos

### Art and Design

Using a variety of materials, create a small model of monument, such as Stonehenge.

Research and make your own version of an Iron Age helmet or shield.

20 dojos each

### Science

Investigate the rock cycle and create a poster explaining it. Include diagrams and scientific explanations.

10 dojos

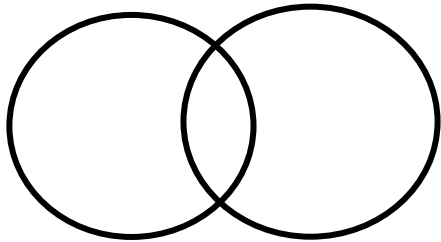

Research how fossils are made and make a presentation to explain the process. You could use ICT to help you.

15 dojos

### Maths

Draw a Venn diagram to sort similarities and differences between life in the Stone Age and life today.

10 dojos

### Geography

Research and draw a map of the World during the Stone Age. How was it different to today's map? Label the Countries on the map.

20 dojos

Log in to I-Hub and Education City and complete the activities. You will earn 2 dojos for every activity you complete.

Keep practising your spellings and times tables for our weekly test. You will get a dojo for every full score.
