

Homework Grid – Autumn 1 Reception/Year 1 – All About Me

<p>Communication and Language</p>	<p>Understanding the World</p>	<p>Literacy</p>
<ul style="list-style-type: none"> • Ring someone in your family to tell them about your day. Try to use a full sentence when you speak. • Sing nursery rhymes and talk about your favourites. • Listen for sounds on an Autumn walk and discuss what they might be. Can you ask 'how' and 'why' questions? 	<ul style="list-style-type: none"> • Create a home for animals that will hibernate to make sure they will stay safe and strong. • Go on an Autumn walk and talk about how the seasons have changed. 	<ul style="list-style-type: none"> • Practice writing your name. How many letters are in your name? • Use your phonics knowledge to begin to write CVC words such as 'sat' and 'pin'. • Draw pictures of your family and write their names.
<p>Physical Development</p>	<p style="text-align: center;"><u>Creative Homework Grid</u> <u>All About Me</u></p> <p>Please choose 1 activity per week as well as daily reading recorded in reading diaries.</p>	<p>Personal, Social and Emotional Development</p>
<ul style="list-style-type: none"> • Create an obstacle course that you can jump over, crawl under and climb through! • Practice cutting up paper using scissors. • Practice ripping up leaves and paper using your hands. • Practice writing letters that you have learnt in phonics. 		<ul style="list-style-type: none"> • Experiment with new textures such as flour and slime. Talk about what you like and don't like about it. • Think about what you are happy about today. Tell someone what makes you happy.
<p>Expressive Arts</p>	<p>Phonics</p>	<p>Maths</p>
<ul style="list-style-type: none"> • Use natural resources to create a musical instrument! Listen to music and see if you can copy it! • Find acorns and see if you can turn them into a hedgehog using different materials. 	<ul style="list-style-type: none"> • Practice the sounds you have learnt so far in phonics. • Listen carefully to sounds in the environment. • Listen to animal noises to see if you can identify the correct animal and copy the noise. 	<ul style="list-style-type: none"> • Sort through natural objects and put them into groups. Talk about the different groups you have made. Which group has the most? Which has the least? • Look at a dice to identify the amount really quickly! • Count the trees on an Autumn walk. Which is the tallest tree?
