

Technology	Out and About	Literacy
• Use the internet with a grown up to create an A-Z list of feelings. • Research how school was different in the past compared to now. 	• Look at trees and plants in your local environment and describe how they grow and change from being a seed into a plant. • Go on a woodland walk and use natural materials to spell out your name. • Create an image using natural materials in the style of Giuseppe Arcimboldo.	• Discuss how you might be feeling each day and make a list of different feelings. What feelings can you name? Think outside the box other than 'sad' and 'happy'. • Draw a picture of yourself and your family. Can you write the names of your family members? • Draw a picture of yourself and label the body parts – how many can you name?
Health and Wellbeing	<u>Creative Homework Grid</u> <u>All about Me</u> Reception – Choose 2 activities to complete. Year 1's- Choose 3 activities to complete Year 2's- Choose 5 activities to complete Maths, daily reading and spelling to be completed alongside creative tasks.	Science
• Discuss having healthy feelings with a grown up at home. What makes you happy? What makes you sad? What can you do if something is upsetting you? • Create a worry box at home where you can share your worries with a grown up.		• Discuss your body parts – how many can you name? Create a song or dance which incorporates all of your body parts. • Look at pictures of you as a baby and describe the ways that you have changed and ways that you have stayed the same. • Make a list of animals in each animal type – mammals, reptiles, birds, fish and amphibians.
Expressive Arts	Working with Others	Maths (to be completed alongside creative tasks)
• Using paper plates and a range of media and materials, create a self-portrait. Explore looking in a mirror to help you. • Using magazines, brochures, catalogues etc create a visual fact file of things that show who you are and what you like to do, eat and play! • Create a self portrait in the style of Giuseppe Arcimboldo. 	• Create and discuss your family tree. Who is in your family? Why are they special to you? • Create a quiz all about you! What is your favourite food? What is your favourite sport? Test your family and friends around you! 	• Reception – children try to find objects round the house that match. • Y1 – Log on to Anton and begin to access the activities. • Y2 – Log on to Anton and begin to access the activities. (Find log in information at the back of reading diaries)
