Stretton Handley CE (VC) Primary School Homework Grid – Term 2 Autumn 2026

Homework can be presented to your class every Friday.

Staying healthy

We've learnt about eating a varied diet to stay healthy. Keep a food diary for one week. Can you spot each type of food group in your week?

Art

Create a picture using natural materials

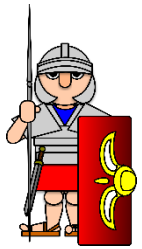

Comic Strip

Create a comic strip of the story of a traditional tale.

Leaflet

Create a leaflet all about what you have learnt about the Romans.

You can also include extra things you've learnt at home.

Animal diets

Choose an animal and find out about what food they eat. Present this information in an exciting way.

Have fun completing your homework. You can bring the completed homework in to share or send pictures via dojo. Don't forget to keep reading EVERY day and ask an adult to sign your reading record. Keep practising your times tables.

Volcanoes

We will be looking at volcanoes this half term. Time to get creative…. Create your own model volcano. You could event make it erupt! Be sure to send pictures and videos in via dojo.

Volcano Fact File

Research a famous volcano (e.g. Mount Etna, Mount Vesuvius, Mauna Loa or Mount St Helens).

Include:

- Location
- Type of volcano
- Last eruption
- Interesting facts
- A labelled picture

Around the World

Choose a country and create a mini fact file:

Flag
Capital city
Food
Animals
Interesting facts

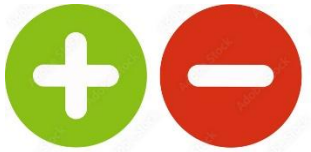

Science

We are learning all about rocks. Do you have any interesting rocks or fossils you could share with your class?

Maths

Come up with some worded problems for your class to solve including addition and subtraction.
