Technology

- Use the internet to access Anton, Numbots and RWI pathways.
- Can you use the internet to find out about different festivals around the world such as Diwali and Eid.

Out and About

- What are the signs that Winter is on the way? Can you draw pictures to show that the seasons are changing?
- Can you make a nature picture of a Christmas tree? What could you use for the baubles and the tinsel?
- Create a firework picture using natural materials.

Literacy

- Can you be like Rosie Revere and create a bridge? Take a picture or bring into school.
- Can you write a diary entry as if you were on the polar express. What can you see, smell, hear, taste?
- Write a letter to Santa - what do you wish for?
- Can you write a FIREWORK acrostic poem?

Health and Wellbeing

- Draw a picture of yourself and decorate it with words that describe what makes you special.
- Tell me about someone who is special to you and why they are special.
- Create a 'kindness challenge' and complete 5 kind acts for family, friends or neighbours.

Creative Homework Grid

Let's Celebrate.

Reception - Choose 2 activities to complete.

Year 1's- Choose 3 activities to complete

Year 2's- Choose 5 activities to complete

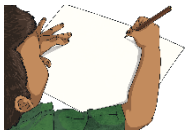

Daily reading to be completed alongside creative tasks.

Science

- Go for a material hunt - how many different materials can you find?
- Try to describe your material - are they transparent? Opaque? Waterproof? Absorbent?
- Log into Anton and complete the material activity.

Expressive Arts

- Use salt dough to make a Diya lamp. What colour will you choose to paint it?
- Use salt dough to make a Christmas tree decoration - you could make a star, an angel or even a Christmas tree.

Working with Others

- Work with someone in your family to make Christmas decorations - can you use teamwork?
- Work with someone to create a bonfire picture - can you think of some safety rules?

Maths

- Go on a shape hunt around your home, can you different 2D and 3D shapes.
- Create a monster using different 2D shapes.
- Collect objects from around your house and sort them into groups: cube, cuboids, cylinders and spheres.
- Find shapes outside in nature. Can you spot circles, triangles or rectangles in leaves, flowers or buildings?
